

Shokhnur Ruziev

Senior Product Designer based in Tashkent, Uzbekistan

I design digital products, and I like making them easy to use. Lately I've been working a lot with AI.

EXPERIENCE

zehnmind.ai Senior Product Designer 2026 — Now

- Own product and web design end to end, for zehnmind.ai's product and its client work
- Take AI features from first wireframe to shipped interface

Pixsellz Product & Web Designer 2024 — Now

- Designed and built 10+ Framer templates, from Figma file to finished, published site
- Product and web design for the agency's clients, including Zarela AI and Uzinfocom

Zarela AI Product Designer, via Pixsellz 2026

- Joined a US limo-service AI SaaS mid-build; finished the product and designed new features

Uzinfocom Product Designer, part-time, via Pixsellz 2025 — 2026

- Product and web design for EdTech and HR products at Uzbekistan's biggest IT hub
- Education products for government and client projects, several of them large-scale

Insan Agency Intern, then Junior Designer 2023

- Web design for local clients at a small Tashkent agency

Freelance Web Designer, part-time 2021 — 2023

- Web design for small clients while studying and teaching myself UI/UX

SKILLS

Product design, UI & UX design, Design systems, Prototyping, Wireframing, Motion & UI animation, Framer design & build, AI workflows (Claude Code + Figma), HTML/CSS/React basics

EDUCATION
